Speaker Presentation

The screenshot shows a Zoom meeting interface. The main window displays a presentation slide titled "What is covered by copyright?". The slide lists six categories: Literary, Films, Dramatic, Musical, Artistic, and Sound Recording, each with a corresponding icon. The NIPAM logo is at the bottom right of the slide. The Zoom interface includes a top bar with "Meeting Info" and "Participants (149)", a right sidebar with a list of participants, and a bottom toolbar with various controls like "Unmute", "Start video", and "Share".

The screenshot shows a Zoom meeting interface. The main window displays a presentation slide titled "FILING PROCEDURE". The slide contains three main points: "Submission of hard copy in The appropriate patent office. (Not available for Patent agents)", "Filing of the Application" (with a diagram showing "Physical Filing at the Patent Office" and "Electronic Filing (e-file)"), and "Online filing" (with the text "E-comprehensive file through portal" and the URL "https://ipnportalonline.gov.in/e-patent-filing/online-filing-of-inventor"). The NIPAM logo is at the bottom right of the slide. The Zoom interface includes a top bar with "Meeting Info" and "Participants (138)", a right sidebar with a list of participants, and a bottom toolbar with various controls like "Unmute", "Start video", and "Share".

Objective: Intellectual Property Rights (IPR) plays a vital role in enhancing the socio-economic prosperity of the country. Creativity and innovation are new drivers of the world economy. With the increasing relevance of Intellectual Property (IP) in this era of globalization, it is important to recognize the role which IP systems play in the growth of the Nation. Thus, there is a need to create large public awareness about the	

pivotal role of IPR in globalized knowledge economy. With the view to create awareness on the significance of IPR to the people from various sectors in the Country.

Outcome :

- The Workshop is intended to cover various aspects of IPR like Patents, Copyrights, Trademarks, etc.
- It is the key to protect innovations using available Intellectual Property Rights (IPR) in order to benefit the society and minimizing the risk of valuable ideas remain on the shelf
- The technical sessions will be led by the speakers having thorough knowledge in the subject who have been practicing in the field for many years

Remarks and Feedback on the Event:

The current global economic crisis is also focusing on renewed attention on the urgent need to incentivize and protect innovation to both solve the world's most challenging problems and to generate jobs and economic growth.

Winner of the Mapathon 2020 and 2023, as well as a Teaching Fellow at IIT Bombay. Vivekananda Institution in collaboration with MTC Global Bangalore and Dhaka International University, Bangladesh, bestowed the Teaching for Excellence Award.	
Outcome: The webinar aims to support undergraduate students in becoming innovation and eventually results in technology development. The speaker enlightened the audience with the basic knowledge of IPR focusing more on patents and copyrights. He emphasized that since the inventor obtains the exclusive right to the invention, the inventor can exercise this right by preventing others from commercially using the patented invention thereby reducing the competitions and thus establishing a place in the commercial market. The faculty and students were highly interactive with resource person. Furthermore, the students learned how to file patents in an innovative project.	
Remarks and Feedback on the Event : Event had an excellent feedback of above satisfactory level.	
Plan of Implementing in HiCET (if any): Planning to conduct in upcoming year.
