Report for Inauguration of Indian Institute of Chemical Engineers Student Chapter

Name of the Faculty: Mr Dineshkumar M	
Department: Chemical Engineering	Designation: Assistant Professor
Name of the Event: "Inauguration of Indian Institute of Chemical Engineers Student Chapter"	
Level: National Level	
Venue / Mode: CSE Seminar Hall, HiCET.	
No. of Days: 01	Dates: 01.10.2022
Funded by: Management	
No. of Participants: 102	Registration charges (if any): NIL
Name and Designation of Resource Person: Dr T Kannadasan Chairman, IICChE Coimbatore Regional Centre Professor, Dept. of Chemical Engg, HiCET Dr SURESH MADHAVAN Head of Mechanical Services Simgrosys Consulting Services (P) Limited	
Outcome: The Indian Institute of Chemical Engineers (IICChE) is a professional organization for chemical engineers in India. Its main objective is to promote and advance the chemical engineering profession in India through various activities and programs. Some of the outcomes of the Indian Institute of Chemical Engineers include: 1. Promoting professional development: IICChE provides opportunities for its members to enhance their professional skills and knowledge through conferences, workshops, and training programs. 2. Networking: The Institute provides a platform for chemical engineers to connect with each other, exchange ideas and collaborate on projects. 3. Industry engagement: IICChE works with industry partners to support research and development, provide consultancy services, and promote the use of safe and sustainable technologies in the chemical industry. 4. Technical advancements: The Institute encourages research and innovation in the field of chemical engineering, and provides a platform for chemical engineers to present their work and exchange ideas. Indian Institute of Chemical Engineers plays a key role in advancing the chemical engineering profession in India and ensuring the sustainable development of the chemical industry.	
Plan of Implementing in HiCET (if any): Indian Institute of Chemical Engineers Student Chapter inaugurated in the Department of Chemical Engineering, HiCET.

REPORT FOR SEMINAR ORGANIZED BY DEPARTMENT OF CHEMICAL ENGINEERING

Name of the Faculty: Dr. M S. Vivek, Mr. A. Rajkumar	
Department: Chemical Engineering	Designation: Assistant Professor
Name of the Event: Seminar on "Roadmap for writing Proposals in Research and Innovation"	
Level : National Level	
Venue / Mode: HICET/Offline	
No. of Days: 01	Date: 24.01.2023 Time: 03.00pm
Funded by: Management	
No. of Participants : 71	Registration charges (if any) : NIL
Name and Designation of Resource Person(s): Dr. M. Anil Kumar M.Tech., Ph.D. Analytical and Environmental Science Division, Centralized Instrument Faculty (AESD & CIF), CSIR-Central Salt & Marine Chemicals Research Institute (CSMCRI) Bhavnagar (Gujarat), India.	
Outcome: The knowledge of the participants beyond the academics are evaluated and made them familiar with the importance of writing a research proposal. He shared his knowledge in reviewing the literatures in national and international context. Later on he focused on budget framing for a project work. Mainly, he discussed on the objectives to be delivered while writing a proposal	
Remarks and Feedback on the Event: The session started at 03.00pm with an introduction to Research. The Resource Person Dr. M. Anil Kumar delivered an excellent lecture regarding "Roadmap for writing Proposals in Research and Innovation. The following topics and valid points were discussed detailly as interactive session. A step-by-step guide to writing a research proposal • Background and importance • Reviewing prior literature and studies • Research questions and objectives • Research Design and Methods • Knowledge Contribution and Relevance • Adherence to the Ethical Principles	

- The budget

Name of the Faculty : Dr Vivek M S & Mr Rajkumar A	
Department : Chemical Engineering	Designation : Assistant Professor
Name of the Event : “Innovation and Recent Advancements in Remediation of Liquid Pollutant – A biochemical Prospective ”	
Level : National Level	
Venue / Mode : HiCET Ganga Seminar Hall	
No. of Days : 01	Dates : 24.01.2023
Funded by : Management	
No. of Participants : 83	Registration charges (if any) : NIL
Name and Designation of Resource Person(s) : Dr M Anil Kumar, M.Tech., Ph.D. Senior Scientist Analytical and Environmental Science Division & Centralized Instrument Facility (AESD & CIF) CSIR – Central Salt & Marine Chemicals Research Institute (CSMCRI) Bhavnagar (Gujarat), India	
Outcome: Dr M Anil Kumar gave a little introduction about him and greeted the institution. He then explained about Technology for remediating polluted Soils and also he interacted with the students about Membrane technology and how to reduce soil pollutant etc. He also interacted with our students by improving the treatment of water pollutant. He also shares about many factors that affect the soil condition. Finally Dr M Anil Kumar concluded his talk on water contamination. Then the participants were asked to interact with guests. Finally he thanked and acknowledged the institution, HOD and students.	
Remarks and Feedback on the Event :	
Event had a nice feedback of above satisfactory level.
