Photographs of Event

The screenshot shows a Google Meet window with a presentation slide titled "TRADE SECRET". The slide contains the following text:

TRADE SECRET

A typical example is Coca-Cola. This soft drink was invented in 1886 and was never protected by a patent, only by a trademark (for the name Coca-Cola) and by an industrial design (for this very special design of the Coca-Cola bottle, supposed to be in the shape of a woman wearing a long skin-tight dress).

The process of the Coca-Cola drink is secret and is only known by two persons in the world. They are not allowed to travel together, so that there is no chance of them dying at the same time in an accident. The secret of the Coca-Cola process was well kept during all these years, and nobody is able to produce a drink with exactly the same taste still today. You all know that Pepsi Cola, its biggest competitor, has a different taste.

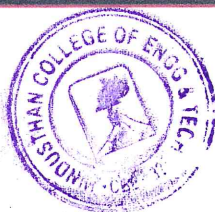

The slide also features an image of a Coca-Cola bottle and a can. The Meet interface shows the presenter, Gokul Deepan P, and a grid of participants including 7.21E+11 GANGA D B, 7.21E+11 ESWARAN..., BALAJI K 7207231..., Rajadurai .P, AISWARYA K 7207..., CIVIL HOD CIVIL, 20 others, and R. SAKTHIVEL (30/10/19...).

The screenshot shows a Google Meet window with a presentation slide titled "INTELLECTUAL PROPERTY AND MARKET". The slide contains the following text:

INTELLECTUAL PROPERTY AND MARKET

- ❖ DIFFERENTIATES YOUR PRODUCTS AND SERVICES FROM OTHERS
- ❖ PROMOTES YOUR PRODUCTS AND SERVICES AND CREATES A LOYAL CLIENTELE
- ❖ DIVERSIFIES YOUR MARKET STRATEGIES TO VARIOUS TARGET GROUPS
- ❖ POPULARIZES YOU IN FOREIGN COUNTRIES
- ❖ KEEPS AWAY YOUR COMPETITORS/COPIERS

The slide also features an image of a lion's head. The Meet interface shows the presenter, Gokul Deepan P, and a grid of participants including R. SAKTHIVEL (30/10/19...), 720723103806 MUTHU..., 7.21E+11 GANGA D B, Gokul Deepan P, and 26 others.

The screenshot shows a Google Meet interface with a presentation slide titled "TRADE SECRET". The slide contains the following text:

TRADE SECRET

A typical example is Coca-Cola. This soft drink was invented in 1886 and was never protected by a patent, only by a trademark (for the name Coca-Cola) and by an industrial design (for this very special design of the Coca-Cola bottle, supposed to be in the shape of a woman wearing a long skin-tight dress).

The process of the Coca-Cola drink is secret and is only known by two persons in the world. They are not allowed to travel together, so that there is no chance of them dying at the same time in an accident. The secret of the Coca-Cola process was well kept during all these years, and nobody is able to produce a drink with exactly the same taste still today. You all know that Pepsi-Cola, its biggest competitor, has a different taste.

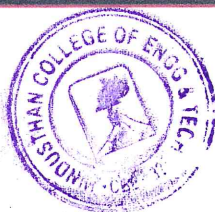

The slide also features an image of a Coca-Cola bottle and a can. The Meet interface shows the presenter, Gokul Deepan P, and a grid of participants including 7.21E+11 GANGA D B, 7.21E+11 ESWARAN..., BALAJI K 7207231..., Rajadurai .P, AISWARYA K 7207..., CIVIL HOD CIVIL, 20 others, and R. - ❖ PROMOTES YOUR PRODUCTS AND SERVICES AND CREATES A LOYAL CLIENTELE
- ❖ DIVERSIFIES YOUR MARKET STRATEGIES TO VARIOUS TARGET GROUPS
- ❖ POPULARIZES YOU IN FOREIGN COUNTRIES

TRADE SECRET

A typical example is Coca-Cola. This soft drink was invented in 1886 and was never protected by a patent, only by a trademark (for the name Coca-Cola) and by an industrial design (for this very special design of the Coca-Cola bottle, supposed to be in the shape of a woman wearing a long skin-tight dress).

The process of the Coca-Cola drink is secret and is only known by two persons in the world. They are not allowed to travel together, so that there is no chance of them dying at the same time in an accident. The secret of the Coca-Cola process was well kept during all these years, and nobody is able to produce a drink with exactly the same taste still today. You all know that Pepsi Cola, its biggest competitor, has a different taste.

The slide also features an image of a Coca-Cola bottle and a can.
